

ALL AMERICAN MARINE FERRY FOR SEATTLE

All American Marine has delivered a new passenger ferry for Seattle, the 'Sally Fox', to King County's Marine Division.

New Zealand-based Teknicraft Design worked together with All American Marine on the hull design. Kings County will use the ferry to replace its ageing fleet.

It is 31.8 metres long, 10.0 metres wide, has a draught of 2.0 metres and a total depth of 3.0 metres. Engines from Cummins power the vessel and propulsion is provided from Vreem. The ferry can achieve a maximum speed of 32 knots and has a total range of 300 nautical miles.
